**MARK MEADOWS RESPONDS TO DR. DAN EICHENBAUM'S
WITHDRAWAL FROM NC 11 CONGRESSIONAL RACE**

HENDERSONVILLE, NC - Mark Meadows released the following statement regarding Dan Eichenbaum's announcement that he no longer plans to file for election in the 11th Congressional District Republican Primary:

"Dr. Dan's drive and commitment in advocating for constitutional conservative issues has helped to elevate the dialogue of this campaign. Dr. Dan has consistently fought to bring needed attention to the importance of upholding our constitution and protecting American sovereignty and property rights.

It's been a great opportunity to discuss and debate the issues with him on the campaign trail and I know that he will continue to be a powerful voice in the constitutional conservative movement for years to come."
